The Examiner required that corrected drawings be filed for Figures 1, 2, 3A, 3B, and 3C. As noted above, Applicant submits herewith Replacement Sheets for each of Figures 1, 2, 3A, 3B, and 3C. Applicant respectfully submits that the Replacement Sheets for Figures 1, 2, 3A, 3B, and 3C do not contain new matter. II. THE 35 U.S.C. §112 REJECTION:

The Examiner asserts that Claims 61-80 are rejected under 35 U.S.C. §112, first paragraph, "as containing subject matter which was not described in the specification in such a way as to reasonably convey to one skilled in the relevant art that the inventor(s), at the time the application was filed, had possession of the claimed invention." In particular, the Examiner treated the recitation "a request for advertising space, advertising space (sic), a change in an offered price for an advertising space, a change in a term or a condition for an advertising offering, an advertisement debut, and an introduction of an advertisement or an advertising campaign", as "new matter".

Applicant respectfully traverses the Examiner's asserted "new matter" rejection.

Applicant respectfully submits that the Examiner's reproduction of the recited phrase inadvertently contains the phrase "advertising space" twice as indicated above. It is respectfully submitted that the recitation, as contained in independent Claim 61, is provided as follows:

"a request for advertising space, a change in an offered price for an advertising space, a change in a term or a condition for an advertising offering, an advertisement debut, and an introduction of an advertisement or an advertising campaign".
